December 28, 2018

Dear CWMA Members and Interested Parties:

The Carroll County Auditor's Division of Weights & Measures is proud to host the 34<sup>th</sup> Annual CWMA Conference which will take place **May 6-9, 2019**, in Canton, Ohio. Canton, Ohio is known as the "Cradle of Professional Football", having started from a meeting of businessmen at a local car dealership in 1920. It has grown to the entity we know today as the NFL. In addition to the Football Hall of Fame, Canton is the birthplace of William McKinley, 25<sup>th</sup> President of the United States and home to the National First Ladies Museum. In addition to the cultural offerings, there are several retail and dining establishments within walking and shuttle distance of the conference hotel.

The conference will be held at the Holiday Inn Canton (Belden Village) in Canton, Ohio.

## Hotel information:

**Holiday Inn Canton (Belden Village)**  
4520 Everhard Road NW  
Canton, Ohio 44718  
Phone Reservations: (330) 494-2770  
Online Reservations: [Online](#)

**Group Name: "Central Weights and Measures Association"**  
**Group Code: CWM**

Special room rates have been arranged for the conference: \$129/NT + 15.5% tax.

**Hotel Reservation Deadline:** Sunday, **April 8, 2019**. To reserve a room, use the online link above or please call (330) 494-2770 and ask for the "Central Weights and Measures Association" group in order to receive the special group rate. If you are not sure you will be able to attend at this time, make a room reservation now; it is much easier to cancel it, rather than try to reserve a room after the deadline.

**Conference Registration Deadline:** Please return your registration form to Sherry Turvey (see contact information on the registration form) by **April 19, 2019**. The conference registration fee is \$225.00. This fee includes your \$35.00 annual membership dues, the Chairman's outing to the Professional Football Hall of Fame Wednesday afternoon, and the dinner planned for Wednesday evening. You are welcome to bring a guest to these events as well. Additional charges for guests, where applicable, are shown on the registration form.

**NIST Training:** This year the CWMA will co-host a NIST Retail Motor Fuel Dispenser seminar to run at the same time as the CWMA conference. The RMFD seminar registration fee is \$50. This fee includes breakfast and refreshments Tuesday-Thursday and transportation to and from the field demo. Individuals attending the training are invited to participate in the meeting events at an additional cost (see Training Registration form for event fees). Class size is limited to 25, so early registration is recommended. CWMA members will have until **February 15, 2019** to sign up for the seminar before it is opened to outside jurisdictions. Please see the "**NIST RMFD Training Announcement**" attachment for more information regarding registration procedure, training seminar agenda, requirements, and registration form. Online payment option is not available for training seminar registration fees. Attendees may send payment in advance or pay at the registration table. We will only accept cash or check at the registration table.

**Meeting Documents will be available on our website. Printed conference books will still be available at no additional cost.**

**Optional Daily Registration:** This year we are offering "Single Day Registration" for those who may be able to attend only one day of the conference. The registration cost for Tuesday May 7, 2019 is \$75.00 and for Wednesday May 8, 2019 is \$45.00. Single Day registration includes all professional, technical, and general sessions scheduled for the date selected. Special events are not included in the daily registration fees. Please see the attached "Single-Day Registration Form" for the event fees and to register for a specific day.

If you have any questions, please contact Sherry Turvey at (785) 564-6682. I look forward to seeing all of you in Canton!

Tom Konst  
CWMA Chair
